Mayor Barnes started the conversation about the two bids for our garage. Pole Barns Direct \$127,783.60. Olympia Steel Building \$126,325.00. After talking to the Pole Barn representative, they don't have a crew in our area. So, they made our decision for us. We will be going with Olympia Steel Building with a slate grey bottom on the building and a solar white on top. With a grey roof. They can start in November. They will be emailing our blue prints and more details.
